The APDT is an organization for professional dog trainers with 2500 members currently. It was founded in 1993 with the mission of enhancing the human-dog relationship by educating trainers, other animal professionals and the public and advocating dog-friendly training. ## Rally Obedience Description

For a complete description of the Rally rules, regulations, performance guidelines, explanation of exercises, etc. go to [APDT.com/RallyO/index.htm](http://APDT.com/RallyO/index.htm). To learn more and get new ideas, you can join the "all dogs" Rally chat list and talk to other APDT Rally enthusiasts by sending a message to [Rally0-All-Dogs-subscribe@yahoogroups.com](mailto:Rally0-All-Dogs-subscribe@yahoogroups.com).

Rally-O is a new sport which consists of a sequence of stations, run as a heel-work course by a handler and dog, where a sign at each station indicates an obedience exercise which the team must perform. Rally is designed to be more relaxed than precision competitive Obedience, focusing instead on attitude and enthusiasm, while the variety of exercises and courses allows you to show off your versatility and teamwork. Rally is intended to promote positive relationships between dogs and owners based on trust and mutual respect. Dogs and handlers should both appear to be enjoying the competition and each other's company.

APDT Rally encourages participation by ALL dogs – purebred or mixed breed, pets or titled champions. Handlers are allowed to encourage their dogs in the ring using verbal praise, petting, and even food rewards just as they would in a good training session. The dogs must perform the exercises correctly and there should be a practiced smooth flow to the performance.

Rally courses, depending on the competition level, consist of 18 to 22 stations, laid out in a numbered pattern (like an agility course), performed on-leash in Level 1 or off-leash in Level 2 (Level 1 title is required to compete at Level 2). Also like agility, handlers get to walk the course and familiarize themselves with the pattern without their dog before running the course. During their run, the dog and handler move through the course in heel position, performing each exercise in turn. The highest scores will be earned by teams who move smoothly through the course, completing each exercise accurately with a minimum of commands, and with high enthusiasm and good attitude. Praise and/or verbal encouragement upon completion of exercises are allowed, and extra commands during exercises are minimally penalized. Rally is fun and interesting to watch as the individual style of each team can really show through.

There are as many as 58 different stations, which might be seen in a Rally course, primarily variations on basic heel exercises and other Obedience skills. Many of the stations involve activities you are probably familiar with; such as *Slow/Normal/Fast Pace Heel*, *Halt*, *Left/Right/About Turn*, and *Finish Right/Left*. Others are simple extensions, such as *270°* and *360° Right/Left Turns*, *Straight Figure Eight*, and *Send over Jumps*. A few of the other interesting stations include:

- *Call Front - Forward Left*: the handler stops his forward motion and calls the dog to the front position, then moves forward while commanding the dog to move left into heel position falling into step with the handler.
- *Halt - 1, 2, 3 Steps Forward*: After a halt, the handler takes one step forward, halts, 2 steps, halts, 3 steps and halts. The dog heels with the handler and sits each time the handler halts.
- *Spiral Right*: The handler, with dog in heel, makes a sequence of right turns around a line of 3-4 pylons, with the first two turns around the end pylons and each successive turn on one end getting tighter and tighter.

You must be familiar with all of the different Rally-O exercise signs prior to the event. Go to [www.apdt.com/rallyo/index.htm](http://www.apdt.com/rallyo/index.htm) for an explanation of each of the exercise signs and have fun practicing them with your dog.

- ◆ This trial is open to all dogs being at least six months of age, including purebred and non-purebred, except bitches in season or dogs with disabilities, injuries or illnesses which may cause the dog pain or great discomfort, or dogs exhibiting signs of aggression that threaten the safety of other dogs or humans.
- ◆ All dogs must be registered with APDT Rally to compete. A one-time registration form is included and must be submitted **DIRECTLY** to the RallyO Coordinator (NOT to trial hosting organization) on or before the date that a team first competes in a sanctioned trial.
- ◆ Dogs must be shown by a member of the owner's immediate family: mother, father, spouse, life partner, sibling, child, grandparent, or grandchild.
- ◆ Safety shall always be of foremost consideration in actions and conduct by handlers at all times. Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs.
- ◆ The organizing committee may refuse any entry for any reason.

In addition,

- ◆ **THERE SHALL BE NO REFUND** for entries withdrawn after the closing date or in the event a dog and/or handler are dismissed from competition, regardless of reason for such dismissal. There will be no refunds if the trial has to be cancelled for any reason.
- ◆ Returned checks do not constitute a valid entry. There will be a \$25.00 service charge for returned checks. Payment of entry fees and service charges shall be made in cash or money order within 30 days of postmark of notice of returned check where notification is received after event date. Any fees not received within 30 days of notice result in cancellation of event results for all classes for the registration number(s) of delinquent entry/entries. No reinstatement of results is possible, and all awards must be returned within 10 days of notification, or the dog's registration may be suspended pending restitution. Any unpaid fees or shortfalls must be paid prior to the start of the event or entry is canceled without recourse by owner/handler.
- ◆ No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Act of God, public emergency, act of a public enemy, strike or any other cause beyond the control of the organizers.
- ◆ All dogs shall be shown in a flat buckle or snap collar, plain harness, or properly fitted martingale (limited slip) collar. No choke collar, prong collars, shock collars, no-pull harnesses, martingale leads, or head collars are allowed.
- ◆ All competitors through entry at this event waive any and all rights relative to video broadcast of this event. Competitors shall have the right to videotape portions of this event for their personal use only. No portion of this event may be videotaped for commercial or other purposes. All video, broadcast, and telecast rights for this event are the exclusive property of the APDT or the trial host(s).
- ◆ Owners with disabilities are encouraged to compete. Any necessary modifications to the exercises must be provided by the handler to the judge and approved by the judge.
- ◆ Upon successful completion of an exercise, the owner may choose to briefly pet or touch the dog as a reward. The owner may also choose to give the dog food as a reward. Food may NOT be used as a lure to help the dog complete an exercise. Food rewards must be contained in pockets or hidden treat pouches and only be present in the owner's hand in between exercises. Any petting, touching, or feeding that significantly interrupts the flow of performance shall be scored accordingly.
- ◆ Dogs must remain under control at all times whether on or off leash while on show grounds. Day kenneling only is permitted, unless otherwise posted at the show site. Crates may be left overnight at your own risk.
- ◆ Please pick up after your dog and yourself.
