Puppy classes are for dogs between two and six months. Beginner classes are for older dogs that have not had previous obedience training. All classes meet once a week for 45 minutes. Dogs from the same family are not allowed in the same class. The fee for the classes is \$75.00. There are a limited number of openings in these classes which we will fill on a first-come first-serve basis. Numbers for order of registration will be handed out beginning at 6 p.m. until all spaces have been taken.

Please bring the following to registration:

- Your dog
- Your dog's **proof of shots** from your veterinarian
- **Check or Cash** -- We **do not** accept credit or debit cards.

Please do not complete your check before registration as many students also purchase training collars and leather leashes at the time of registration.

A full schedule of classes is available on registration night. Students may choose class night and time from the available offerings.

Thank you and we look forward to seeing you at TCKC.
